## Rock-solid employee

AT A RECENT special long service presentation, Chairman Michael Aldrich offered his congratulations to secretary/pa Sue Grindlay on completing 10 years service with Crawley-based ROCC. In recognition of her service she received a 10ct gold pencil and ballpoint

together with 10-year long service certificate and a bouquet of flowers from the directors.

Sue has lived in Horley for five years and was a resident of Cophorne for 25 years.

ROCC is a British computer manufacturer.

## Ten-carat loyalty

Ten years is a long time in one place for the hi-tech people of Crawley's business community and for ROCC Computers Ltd 10 years' service merits an award. Four members of staff, Sue Grindlay, Guy Hill, Barrie Lynch and Sheila White, received a 10-carat gold pencil and a long service certificate from chairman Michael Aldrich and finance director Derek Strath.
